

What is BNKD?

BNKD is a smart pay solution: You make monthly payments to the clinic, and every dollar accrues for later use.

We understand that managing the costs of quality eye care can be challenging. That's why we've partnered with BNKD to bring you an innovative way to access the eye care you need without the stress of large, upfront payments.

Our smart pay program allows you to spread these costs over time and take advantage of discounts, making eye health more affordable and accessible.
